Legacy Joy

**IN LOVING MEMORY OF**

# Sir Knight Jack Perron

## A little Jesus.
## A lasting legacy.

### More than 1,000
little Jesus figures shared
and the tradition continues.

Jack inspired us to share little Jesus figures on our travels and during our mission work.

We fondly remember his Teamsters stories and his little calendars with the big truck.

**Legacy Joy will carry this tradition forward in his memory.**

## Please take a Little Jesus

Keep one close, or share one with someone who needs a little hope.
